Dear Ms Blombery

Thank you for your kind words about my appointment as the Minister for Climate Change, Minister for Energy, Minister for the Environment and Minister for Heritage.

I am honoured and excited at the opportunity to serve as a Minister in the Minns Government.

It is a responsibility that comes with great opportunities, many serious challenges, but also the knowledge that when we get it right, we create a better community for future generations.

My priorities are to take action to address energy security and climate change as well as protect and restore biodiversity.

The NSW Government is committed to stand-alone Aboriginal Cultural Heritage laws and I will also ensure NSW has a Heritage strategy.

I look forward to working collaboratively with you and other stakeholders as we tackle the challenges ahead.

Sincerely

**Penny Sharpe MLC**

Minister for Climate Change, Minister for Energy,  
Minister for the Environment, Minister for Heritage
