**Subject:** RE: VC Appointment

Dear Tricia,

Thank you so much for taking the time to write and for your kind words. And also thank you for all the information you have shared in your letter, and for the news about the prizes you are offering at the ANU. That is all just excellent. I hope one day, we will see the prize for Engineering and Computing, extended to include Cybernetics! We have some excellent female graduates in our newly established School too.

I would like an opportunity to catch up in the new year, when I am VC.

Again my thanks

Cheers

Genevieve
